## Why top competitors love Lucky Braids:

"Before using Lucky Braids my grey horses' coats were not bright. Now, all of our horses at Millar Brooke Farm gleam. The grey horses are dazzling and easy to keep clean - dirt doesn't stick. All of our tails are full, shiny and easy to keep knot-free. Lucky Braids is a must have product for any horse owner."

– Lori Green, Mgr. Millar Brooke Farm for Ian Millar, 9-time Olympian

"Despite good grooming and having tried all medications and shampoos, Lucky Braids Shampoo is the **ONLY** thing that solved our issues with sensitive skin and chronic hair loss. The hair grows in very fine and rich in color."

– MaryAnne Minor, Mgr., Beacon Hill

"Luck Braids uses the highest quality ingredients. The Shampoo and Spray system makes horses **easy to clean** and even the greys shine. We use it on all our horses. Now, we need **far fewer products** and I like that they don't need to stand under the hose so much. Most importantly, the coats are **healthier** and more resilient than ever."

– Kim Prince, Samsung Super League Championship Team

"We used Corona for 10 years. After first trying Lucky Braids Shampoo there was a 100% difference. Coats are **easy to clean, requiring less time**. Tails were even bigger. We were going to use a fake tail, but with just 2 baths with the Lucky Braids Shampoo, **we don't need a fake tail!**"

– Israel Hernandez, Mgr., Davlyn Farms

"We use Lucky Braids products. Our horse's **full tails are gorgeous**. White and sensitive legs get sprayed before they go out to help **repel dirt**. Initially we used the Salve on scratches and they were better in a day. We also find it effective for treating tail rubbing and scrapes to **heal skin** and **grow hair back quickly**."

– Jeffery Welles, Samsung Super League Championship Team

"Lucky Braids Shampoo is the only one that **does not dry out** the horses' coats. It leaves horses **super-shiny** and we have **no skin problems**, even in Florida! I love it! The horses love it!"

– Molly Ashe, US Show Jumping Team, 2-time American Invitational Winner

"Using Ruthann's Shampoo, within two weeks our horses were **dappled from head to toe**. No kidding!"

– Jason McQueen, Mgr., Overlook
